GOLD AWARD in Girl Scouts Lauren Rodriguez

Dr. Fuller & Lauren Rodriguez

Girl Scouts has an award that is the equivalent of the Eagle Scout award in Boy Scouts. It is called the Gold Award.

Lauren Rodriguez is working towards her award. She had to become a senior girl scout first. Then she has to initiate a big project and carry it forth to completion.

Lauren decided to do a project on oral hygiene. It involved teaching 300 first graders how to properly brush and how to avoid cavities.

Cavity Busters was the name of the project. In order to keep the kids attention during the 30 minute presentation, she made

it into a fun play. Complete with characters and costumes.

Lauren dressed up as a big tube of toothpaste. Her hat was shaped like the top of the tube. She called herself Miss Flora Ide; which is a funny twist on the name of the chemical compound Fluoride.

The play was interactive with the kids, which helped them to remember the main points on oral hygiene. They also received diplomas at the end, to help with the positive reinforcement of the experience.

Lauren presented her show at five elementary schools and the Chula Vista Public Library. Major congratulations for a job well done.

MAY EVENTS

Mother's Day is Sunday, May 9th. Every kid should give their Mom a big hug and a kiss.

New Office

Our next step, with the new office, is working with an interior architect. She has looked over the plans and made sure everything is perfect.

FRONT

REAR

She has given us a lot of new ideas about room heights, as well as columns and arches to use in separating rooms or spaces. We are all very excited
