Dr. Clayton Fuller ORTHODONTIST

July Toothousand-Four

Community Service

Dr. Clayton S. Fuller Community Service Award

Lori Berger with Dr. Fuller

The 2004 Community Service Award winner was Lori Berger. She is a graduating senior at Hilltop High School.

Dr. Fuller read the final four applications and chose the winner based on hours of community service as well as the quality of service.

The Doctor felt that Ms. Berger showed a lot of self-motivated service to the community. Something that he was very impressed with. As not only did she volunteer when asked to, she also sought out and organized activities to help other people.

JULY EVENTS

Sunday, July 4th, is Independence Day. We all know it for a great fireworks display, but it is also the day in 1776 when the Declaration of Independence was approved.

It was signed by the 56 representatives to the Continental Congress. At the time, the 13 American colonies had decided to unite and speak against England with one voice. So they formed a group with voting powers; a congress.

They wanted to let England know that they considered themselves to be separate. So they declared to the world their independence from the government of England.

The Declaration was signed in Philadelphia, PA; after a lot of discussion. Thomas Jefferson was assigned to write it. The congress voted for independence on July 2nd and approved the Declaration of Independence on July 4th.

New Office

We are still refining the drawings. The windows and doors of the main entrance are being made to look more like they are from southern Spain.

It is a lot of fun being able to change everything to our liking. When the project is only on paper, we can try different styles easily.

We have not started demolition of the old building, yet. So rather than show you another photo of the same old building, we thought we'd show you some concepts.

NEWS FLASH:

Brittany Durnil says she has earned a few trophies and ribbons for the athletic events of the shot-put and the discus throw.

She is headed to a regional meet soon and she hopes she does well. She says that if she doesn't, she won't give up.

Her friends and family support her all the way.

She is also on the track team. Her Dad is one of the coaches, too. He helps show her how to throw and encourages her to keep on going.

While she was on her last away-meet, she got to take a side trip to Walnut Canyon National Monument in Arizona. She found the ancient ruins very interesting.

We all wish her the best!

NEWS FLASH:

David Clark is going into the 4th grade. He took the GATE test and passed. YEAH!

NEWS FLASH:

Linda Clark graduated from the 7th grade and was a top honor student. She was also accepted into the Flags Program at Hilltop Middle School. She and her family are very proud of her.

HAPPY BIRTHDAY TO:
